07912 293155

Management/Customer Service

Business Development Manager

Matt is responsible for business development for our Swindon Branch. He delights in dealing with a varied customer base and loves the challenge of the “win”. Most importantly he ensures the customer has the right solution(s) for their business and has the drive to succeed and to do the best he can for them. With a farming background, Matt’s hobbies involve the countryside. With his clay pigeon shooting, he’s met many famous celebs.

Kerry Brown

03300 888 000
Option 1, Option 3

Sales & Customer Service

Customer Service Manager

Kerry is our Customer Services Manager based in our Swindon branch and ensures that customers receive a first-class service and experience. Throughout her professional life she has always believed that the more work you put into things, the more you get back. She is also sales savvy and won the 2020 summer prize for supporting customers with products fighting against Covid-19.

Camil Lambert

camil.lambert@consumables.com

07809 211498

Management/Compliance

Head of Compliance

Camil develops and manages a world-class Compliance Centre in Netsuite, which includes SOP’s, fleet, property, equipment management and employee training databases. He produces, reviews and audits SOP’s, processes and policies, as well as providing training. Overseeing operational developments and issues across all Consumables Solutions sites, Camil also audits and monitors One-team™ sites and Logistics and Production Centres to ensure all employees adhere to procedures, processes and policies.

Jackie Wilcox

jackie.wilcox@consumables.com

03300 888 000
Option 1, Option 4

Finance

Finance Executive

Jackie holds the position of Credit Controller, collecting company debt and resolving any client issues. From a financial perspective she’s the first point of call for all our customers. With many years of experience in similar roles, she’s very approachable and makes sure things are done. As well as enjoying her grandchildren, Jackie’s hidden talents include crafting and growing vegetables.

We strive to offer you the best service possible.
